This superb provider is able to offer a serviced package that is truly fit for the 21st century. The building is endowed with all the amenities and service options a firm could wish for in order to thrive. Comprising of two office towers and parking facilities, this building renders 24 levels of high quality serviced office space which can be accessed day or night. The experienced lobby team can be counted on to make sure all guests are warmly greeted and provided with the information they need, whether that be directions to your offices or a delivery signature. Occupants at this serviced office center also benefit from the use of on-demand meeting facilities, suitable for all types of training sessions and presentations. Other inclusive amenities include training areas, housekeeping services, tasteful furnishings and video conferencing equipment, coming together to form an exceptionally adept center for all types of business.

Location

This business center is located in a highly convenient area which is brimming with handy amenities and public transport links. This part of Mexico City boasts a great mix of cuisine and hotels, such as the holiday Inn express Santa Fe Hotel, which is only 230 meters from the door and just a short stroll on foot. These office suites grant easy access to an array of dining options, a good example of which would be Krispy Kreme Mexico Volaris, just a 3 minute walk away and something of a favorite with its customers. For those who often travel overseas with work, Mexico City International Airport can be reached within a half an hour drive. You will also be positioned just a stones throw from a

major highway, granting drivers excellent road links and on-site parking facilities. Tying together manageable costs, convenience for commuters and various local amenities, it would be nearly impossible to come up with a more befitting home for a venture in or around Mexico City.
